No. ....

SUBJECT: E.D. No. 3696 dated April 24<sup>th</sup>, 2006  
"Eva" natural mineral water in the Municipality of Paesana (Cuneo).  
Indications for labels.

This is to forward a certified copy of the Executive Decree mentioned in the subject.

THE MANAGER

*Ministry of Health*  
GENERAL DIRECTORATE FOR HEALTH PREVENTION

**DECREE April 24<sup>th</sup>, 2006**

“Eva” natural mineral water in the Municipality of Paesana (Cuneo). Indications concerning infant food.

**THE GENERAL MANAGER**

**SEEN** the Legislative Decree dated January 25<sup>th</sup>, 1992, No. 105, as modified by the Legislative Decree dated August 4<sup>th</sup>, 1999, No. 339;

**SEEN** the interministerial Health - Productive Activities decree dated September 11<sup>th</sup>, 2003 and the ministerial decree dated December 29<sup>th</sup>, 2003, on the implementation of the Directive 2003/40/CE issued by the Commission of the European Communities;

**SEEN** the note received on November 23<sup>rd</sup>, 2005 by which the Section III of the Board of Governors for Health expressed favorable opinion on the inclusion, on labels of natural mineral waters recognized for infant food, of indications that remind the primary benefit of breastfeeding;

**CONSIDERED** that the aforementioned Board of Governors for Health, during the session dated December 13<sup>th</sup>, 2005, expressed favorable opinion on the inclusion of the wording: “breastfeeding is preferable” on labels of mineral waters reporting indications concerning infant food;

**SEEN** the Executive Decree dated October 28<sup>th</sup>, 2004, No. 3575, by which pediatric indications for “Eva” mineral water have been recognized;

**SEEN** the note dated March 28<sup>th</sup>, 2006, by which the Mayor of the Municipality of Paesana, questioned, expressed his availability to change the labels of the aforementioned mineral water according to the direction of the Board of Governors for Health;

**SEEN** the Legislative Decree dated March 30<sup>th</sup>, 2001, No. 165;

**DECREES:****Article 1**

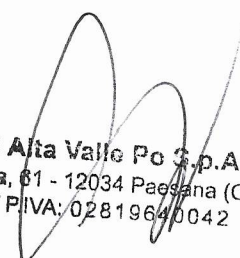

1) At article 2 of E.D. dated October 28<sup>th</sup>, 2004, No. 3575, the wording concerning infant food is replaced by the following: “Breastfeeding is always preferable, but in case this is not possible, this mineral water is suitable for the preparation of infant food. Suitable for the preparation of infant food”.

The present Decree will be forwarded to the requesting company and forwarded in copy to the Regional Bodies responsible for the area.

The present Decree will be published in the Official Gazette of the Italian Republic.

Rome, April 24<sup>th</sup>, 2006

THE GENERAL MANAGER  
(Dr. Donato Greco)
